- 2005 **Job Creator**
- 2001 **PEGASUS Recognition Award**
- 1994 **eBusiness und PEGASUS Recognition Award Innovation Award Upper Austria and Austrian State Award for Design**

A woman with dark, curly hair is smiling broadly, her eyes closed in a joyful expression. The image is overlaid with a semi-transparent circuit board pattern, which is more prominent on the left side and fades into the background on the right. The overall color palette is warm, with reds and oranges.

**YOUR VISION
WITH OUR TECHNOLOGY**

TECHNOLOGY

We strike new paths through investment in modern technologies.

We create innovative concepts for your success and develop strategic partnership for you.

- State of the art placement technology
- Quality produced
- High productivity
- Analysis and repair laboratory
- Efficient inspection and test methods

YOUR IDEA

**WITH OUR
KNOW-HOW**

KNOW-HOW

We employ scientists and engineers with professional experience.

„technosert“ ensures the training of qualified employees.

Our scientific partners are universities and advanced technical colleges.

- Customer oriented research and development
- Handling of purchasing logistics
- Use of proved components
- Prototype and sample manufacturing
- Quality and trial control

**YOUR PRODUKT
THROUGH OUR SERVICE**

SERVICE

Your account adviser enthuse you with know-how and personal commitment.

- Proactive Communication
- Objective Risk
- Cost optimisation, Process analysis
- Consultancy for layout optimisation
- On schedule delivery
- Web Information Service
- Povision of an active network around your product
